

CUSTOM SUPPLIES SOLUTIONS - FLEXSHIP PROGRAM

At Printronix Auto ID, we're committed to bringing you the most cost effective solution to your custom label applications. This is why we offer our **FlexShip Program**.

With this program, you'll enjoy the lowest possible price by allowing us to run your product in volume...up to your semi-annual (180 day) usage amount.

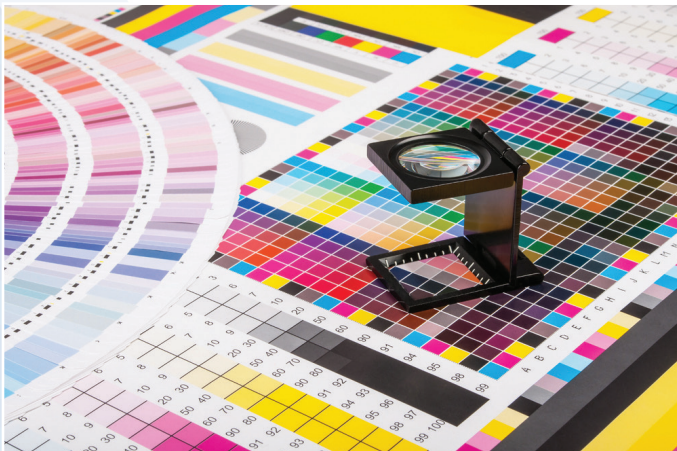

Additionally, we'll only ship and invoice your product when you tell us to release it. This means that you not only save money, you can also save valuable warehouse space by only bringing in what you need, when you need it.

The program is simple:

- Custom run product only. Program is not available for stock product
- Program is supported from all Printronix Auto ID distribution locations
- We'll warehouse your product for up to 180 days
- We'll release what you want when you want it, anytime within the 180 day period
- You will only be invoiced as we release your product

Ask your Printronix Auto ID sales representative for the program sign-up form and detailed Terms and Conditions.
